KEMMEL AND LISA DUNHAM VISIT SUNDAY, NOVEMBER 7, 2021

Kemmel and Lisa Dunham have been in Guatemala for 16 years. Since the beginning Meadowbrook has partially supported them in cooperation with their home church, the Eastside Church of Christ in Colorado Springs, CO.

Health Talents International, one of our Fave 5 groups, works in 2 locations in Guatemala, Clinica Ezell where surgical teams go and Clinica Caris in the highlands where the Dunhams live and work primarily. Lisa is a board certified family physician and sees about 100 patients per week in addition to supervising "health promoters" who function somewhat like physician's assistants. The people struggle with many health problems: malnutrition, childhood diseases, diabetes, parasites, and chronic diseases as in the US. Patients needing surgery are treated at Clinica Ezell. Kemmel works in health care administration and now oversees all the work in Guatemala. We also have several Guatemalan nurses, dentists, and physicians as part of the team. Health Talents works with 29 congregations in the highlands, 15 in the Clinica Ezell area, and 2 in Guatemala City. Church growth continues despite the pandemic. Guatemalan evangelists work along side the health care professional in the clinics. There are three new church plants in the past two years in the highlands.

We look forward to having Lisa and Kemmel here with us during class time and worship on Sunday, Nov. 7. Please make plans to attend 9:30am, during class and 10:30am, during worship.
