**MYG Summer Mission Trip Update:** Many of you have been following the spread of the Zika virus across Latin America. After conversations with our medical professionals and with the Dunhams, our missionaries in Guatemala, we have decided it is not in our best interest to return to Poptun this year. However, we are excited about the opportunity to serve with Praying Pelican in the United States that same week. Since the location has changed, and the total cost of the trip has been reduced to \$1,000, we are once again opening our trip up to teens currently in 8th grade and up and to adults. If you are interested in joining us, please let Laura Fike know before our next meeting on March 23.

Continue to pray for our **Youth Minister Search Committee** that God will lead us to the person He has chosen to serve with us!
