Small Groups

We want to do our very best to stay connected with everyone while we continue transitioning in the world of Covid-19, and we feel the best way to do that is to become involved in a small group. In addition to our traditional small groups, we are creating more opportunities to get together online. Please go to the Meadowbrook website and [Check our fall line-up of small groups here.](#) if you are interested in leading or participating in one of the new groups, from September to December, please contact amanda@meadowbrook.org or the small group leader.

Hurricanes Laura and Sally Update

The Church of Christ Disaster Response Team (DRT) is continuing its work in Lake Charles, LA, and assessing areas where Hurricane Sally hit. DRT stated that Hurricane Laura has caused more widespread damage than they have seen in a long time and there is much work to be done, mostly in tree removal and roof tarping. They are in desperate need of volunteers. Please [click here](#) and let us know of your interest in volunteering with the Enterprise Blvd Church of Christ in Lake Charles, LA. There is now electrical power in their building. Meadowbrook is continuing to collect monetary donations through the month of September and remember to order the 55 gallon trash bags and box fans through Amazon.
