**Health Talents International/Guatemala** Quinton Dickerson, [QHD2@aol.com](mailto:QHD2@aol.com) Kemmel and Lisa Dunham have returned safely to Guatemala and would like to thank Meadowbrook for its continued love and support, adding their gratitude for the bonus of 150 pounds of crayons and books that were donated. In a thank-you email Kemmel said, "We will place all of these items towards educational use and will report back with some pictures and some video. It is great to be received as friends and family each year we come. Thank you!"

**Christmas in the Classroom** For our Christmas project this year and to continue our FAVE 5 support efforts, we would like to adopt teachers in our church family who teach in Jackson Public Schools and Hinds County Schools. The teachers are Deborah Asbill, Claire Crider, and Sharon Rainey. Each child in their classroom has been given a wish list questionnaire. Additionally, Tim Douglas has a wish list for his classroom at Siwell Middle School.

**Important dates TODAY**, we will have the wish lists displayed for members to choose a child and/or classroom wish list item.

Wednesday, December 11, is the deadline to have the items gift-wrapped and returned to FC 2.

On Saturday, December 14, 9-11am, the recipients' families are invited to the Family Center to share in a donut breakfast with our church family and to pick up gifts.

HELP NEEDED!!! **The Daniel Ministry** has scheduled a work day for Saturday, Nov.16, on the Meadowbrook campus. We will have breakfast provided at 7:30am in the FC-fh and begin work at 8am. We will be spending the day working around the campus

knocking out some easy projects. We plan on fixing pews, pouring Quikrete, laying stepping stones, varnishing some doors, replacing ceiling tiles, getting doors to close properly, trimming trees, etc. If you can hand a ceiling tile to someone standing on a ladder then you are more than qualified to help us, and we need people to do just that. I understand that Saturdays are a precious commodity, so the more people we have - young, old, male, female - the quicker we can get these projects done and still be able to have some Saturday left.

Tools to bring if you can: ladders, utility knives, straight edges such as a level or square, power drill with bits, chainsaw, and pressure washer.

Please consider joining us, and let me know if you will be, so that I can plan for breakfast. Great chance to create/build relationships and memories. Beau Cox, (662) 315-6169, or [beaucox1@gmail.com](mailto:beaucox1@gmail.com).
